Dear Leona

I hope this letter finds you quite well, as I am. Lt. Field has moved from this District. Have you sent Ray Rix a letter on May 20<sup>th</sup>, because you cant believe a word he says? I hope you liked the other Letters. My Auntie is coming down from London because of the blitz, and the Doodlebugs. Here is a picture of one:

It is like an Ordanairy aeroplane and has got an Automatic Pilot (NO REAL MEN) Square wings, and a square tail, the thing on the tail is a long metal tube, and at night flames come out, and at daytime smoke. It runs on Crude Oil, when the engine stops it drops to the ground and explodes. It is the Jerry's Latest weapon of war. My Father died 3 years ago. I am in the 6<sup>th</sup> grade, by the way you have it. I have got a baseball bat and a softball. Frederick Pete Wolford of N.Y. gave it to me. Here is my address:
