Dear Jonnie.

Received your card yesterday and also your letter today. Was so glad to get a letter. Well Jonnie you said you wanted me to get the 4 P.M. C & O train Saturday. and further down in your letter you said you hoped to see me Sunday. I do not understand this. If I came to Rd Saturday night. I would certainly expect to see you. Not wait until Sunday to see you. And I will come Saturday evening on the 4 P.M. train as I really.

want to see you. Jonnie I do not blame you for leaving for Rd. as you can make yourself much better satisfied in Rd. Well it wont take you long to forget me after you are there a few weeks. And Jonnie I have some thing to talk over with you. But do not think I am mad because I am not. as I am the same as I were. Sept 1<sup>st</sup> a year + a half ago. and in my mind I will be the same always. I certainly did hate it when I watched that train.

pull out of the station. I made  
me feel real bad. But I sup-  
pose I have quite a lot of  
those feelings in life. as I  
make my own life a misery.  
But I'll swear to god I can't  
help it. I only wish I did  
not have such a disposition.  
I am writing this but do  
not know whether you will  
receive it or not. So I am  
afraid to write too much.  
Write real soon and I  
will leave on 4 P.M. train  
Saturday evening and meet me  
at the C + P. station, and do.

not fool me.

Well I will say Good by  
for this time.

Write real soon.

Your Devoted Friend.

P.S. Do not keep anything to do  
with B.L. if you do I'll get  
it.
