Dear Miss Roane:

In checking through your file I do not find anything to indicate that this Board delayed your taking the examination. In fact, if all applicants required as much correspondence and attention as yours, it would require additional help to attend to same. Repeatedly Mr. Watts wrote to you for failure on your part to file proper forms and to correct forms incorrectly filed.

If you have any evidence of dilatory tactics used by the former secretary or by this Board, kindly submit same to me and I will present it to the Board at its next meeting along with your request for a refund. The Board next meets around the middle of May, 1953.

With best wishes, I am

Sincerely yours,

Secretary
